Commissioner for Patents

The examiner inadvertently did not consider the PCT Search Report for Application No. PCT/NL2005/00100 dated 12/10/2005 in the Information Disclosure Statement (IDS) dated 5/11/2007. Attached to this communication is an initialed 1449 for the IDS dated 5/11/2007 with all of the references therein fully considered. The references in this IDS did not affect the allowability of the claims in this case. No action is needed by applicant in response to this communication.
